Memory Gardens Christmas Remembrance

Like many businesses during the pandemic, Memory Gardens was forced to make some changes over the last year. One change was converting our evening Christmas gathering into an extended day time drive-through for ornament placing, candy canes and prayers. Last year many families were kind enough to stop at the chapel to place ornaments on our new beautifully lit Christmas trees while remembering lost loved ones. This year’s drive-through event will be held Friday December 3, 2021 from 9-4pm at our A-frame Chapel. We look forward to seeing you.

As the holiday season approaches, Memory Gardens expresses our deepest condolences to all the capital district families that have lost family members and friends in 2021.

Let Us Place Your Fresh Wreath

Cold, snow, ice and rainy weather. It's coming. Let Memory Gardens place a wreath for you and your loved ones. This beautiful 24” double faced evergreen wreath is decorated with a red bow and clusters of pine and berries on a 3’ tripod easel.

See page 3 for our wreath order form.

Reflection Tree

Memory Gardens is proud to announce the “Reflection Tree Cremation Garden”.

This peaceful area is shaded with our beautiful Reflection Tree and surrounded by our tranquil pond, lots of large trees and rolling hills of green.

President’s Message

Greetings to All:

I hope this finds you and your family well.

I read a quote recently that fits the way life seems to be. It was by Arthur Rubinstein, he said, “Happiness can only be felt if you don’t set any conditions.” Perhaps, we can all take a lesson from his words.

Fall will be here soon and school has already started for many students. I hope this year the Covid-19 virus and its variants will be limited. We had a small window without masks, which was wonderful. Unfortunately, with flu season upon us, changes will be coming again. We will continue to follow CDC and New York State guidelines. All changes will be noted on the front door of the office. We ask your cooperation in adherence to any changes.

A planned repair and cleaning of the fountain out front has been scheduled. We hope this project will be done before winter. The newsletter will provide further information on repairs and maintenance in process.

We will once again provide Christmas Wreaths for sale this year. It is a wonderful way to share the holidays with your loved ones.

We wish you and your family a wonderful fall and holiday season.

Valerie Konopka
President
Memory Gardens Board of Directors

Fountainlawn Restoration Project

Memory Gardens large fountain is the focal point of the entrance to the cemetery. The fountain was built with delicate soft stones and concrete many years ago. The fountain is carefully being cleaned and repointed for restoration for the future.

The Memory Gardens grounds team has done a great job keeping this alluring feature clean and functional over the years.
