A Memorial Park Dedicated to the Dignity of Mankind

President's Message

Dear Friends of The Gardens:

As we approach the Annual Lot Owners Meeting on Saturday, May 5, 2012, I wish to bring an important item of business to your attention. On Page 3 of this Newsletter you will find a proxy card to be completed by each person who holds title to a deed at Memory Gardens Cemetery. This Proxy card is made available for our lot owners who are NOT attending the annual meeting. Proxy cards must be postmarked no later than April 23, 2012.

Our Bylaws state that a "lot owner" is a person who holds lawful title to a deed. One vote may be cast per deed. The Board of Directors has recommended six persons (current members of the Board) be elected for their full terms. A brief biography of these persons is listed on Page 2 of this Newsletter.

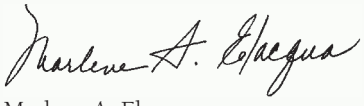
Also, to avoid any confusion that may occur at the meeting, only persons who are lot owners may attend the annual meeting. You will be asked for your photo ID together with the name of the lot owner whose deed you hold. Persons who are not lot owners will not be allowed to attend the meeting. Lot owners are encouraged to arrive early to register so that the meeting can begin as scheduled at 10 a.m. Doors will open at 9 a.m.

The Agenda for the annual meeting is stated in our Bylaws and will be followed as written. A copy of the Agenda will be available for our members at the meeting. Persons having other items of business are invited to send their issues to Memory Gardens, attention of the Board President.

On behalf of the Board of Directors, I invite your positive participation at our annual meeting. Your cooperation in returning your Proxy card, in a timely manner, is very much appreciated.

I look forward to greeting those of you who will be able to attend this, our 71st annual meeting, on May 5, 2012 beginning at 10 a.m.

With all warm wishes,



Marlene A. Elacqua
President

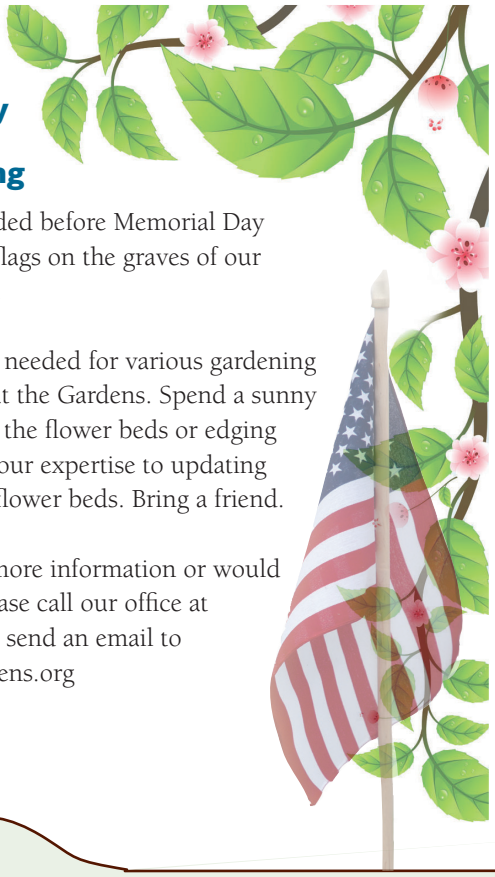
Volunteers needed to place Memorial Day flags, help with gardening



Volunteers are needed before Memorial Day (May 28) to place flags on the graves of our American veterans.

Volunteers are also needed for various gardening projects throughout the Gardens. Spend a sunny afternoon weeding the flower beds or edging memorials. Lend your expertise to updating some of our older flower beds. Bring a friend.

Questions and Answers

Q: I was told I needed a vault or liner for my casket. What is this, and what is it for?

A: These items are commonly referred to as "grave liners" or "burial vaults." A liner or vault is an outer enclosure that protects the casket from the weight of the earth. Heavy equipment is often used to open and maintain graves. Liners and vaults prevent caskets from being crushed when such equipment passes over. They also provide uniformity between burial spaces. Cemetery ground is sometimes compromised by the many holes dug within. Liners and vaults compensate by providing structure and support. Liners and vaults also help keep the ground over the grave level, and the cemetery looking beautiful.

Memory Gardens requires a concrete grave liner or vault for all in-ground casket burials. We offer one very basic concrete grave liner that can be purchased for all in-ground burials. It accommodates all caskets, and is always in stock. Our liners are economically priced at $550. Please contact one of our memorial advisors, Carol Durant or Joe Mazmanian, about purchasing a liner as part of your pre-planning needs. Please call (518) 869-9506, or send an email to carol.durant@memorygardens.org or joe.mazmanian@memorygardens.org

Q: I've seen little vases in the Mausoleum that families put flowers in throughout the year. Can you explain the difference in the sizes of the vases and tell me how I can obtain one?

A: We have two types of vases that are available for use in the mausoleums and niches: crypt and niche. Crypt vases are used for entombments in the mausoleums. Niche vases are used for cremations. Crypt vases are 4 ½ inches tall; niche vases are 3 inches tall. Both are made of brass, and can be placed inside or outside the Briarwood and Edgewood mausoleums. Niche vases can also be used for the feature in the Garden of Love. We cannot use niche vases in the Hope or Resurrection gardens due to the type of stone on the exterior of those features. A crypt vase costs $150 and a niche vase is $100. Either would make a beautiful addition to the memorialization for your loved one. Please contact one of our memorial advisors at (518) 869-9506, or send an email to carol.durant@memorygardens.org or joe.mazmanian@memorygardens.org for more information.

Garden of Paradise now available

Our newest resting place for loved ones, the Garden of Paradise, is on the west side of the memorial park. The centerpiece of this garden is a fountain surrounded by a bronze sculpture of doves taking flight. The garden is a very tranquil setting, and includes benches, bluestone surrounding the fountain, and a walking area. Each burial plot is featured at the introductory price of $400.

For more details, please call our office at (518) 869-9506 or email us at info@memorygardens.org

Bricks enhance fountain's beauty

Bricks can still be purchased for the Memorial Brick Walkway in our Fountainlawn Garden. The bricks help cover the cost of renovations made to our stately fountain, which is just past the opening gates.

Perhaps you have a family member resting in a far-away location and would like to have a closer connection to loved ones resting in Memory Gardens. A brick in your loved one's name would be a perfect solution. One Memorial Brick can be purchased for $125. Two or more Memorial Bricks are $100 each.

If you would like to order a brick or obtain more information, please call our office at (518) 869-9506.

Memorial Benches – A lasting tribute

If you would like to sit and visit with your loved ones at Memory Gardens, consider purchasing a granite memorial bench. When possible, your bench will be placed at the perimeter of the Garden and in close proximity to your loved one's resting place. Each bench costs $2,000, which includes the foundation, installation and one memorial bench plaque. Available color choices are Super Gray, Night Black, Chestnut Red and Paradise Green. Stop by the Memory Gardens office and ask a memorial advisor about purchasing a memorial bench for you and your family.

Pre-planning: The gift of peace of mind

The death of a loved one is among the most painful experiences that one will endure. Sadly, most families will find themselves poorly prepared to handle this event. The questions, concerns, decisions, and expenses can be substantial and overwhelming, to say the least.

Does your family know your wishes? Will it be a casket burial? Mausoleum entombment? Cremation? What about a memorial? The time your family should spend comforting one another and celebrating your life can quickly deteriorate into confusion, stress, and financial burden when facing these unanswered questions.

Pre-planning gives your family time to properly grieve for the one they loved and so dearly miss, and spares them the financial burden of your arrangements. It also preserves your insurance benefits for their intended purpose: your family.

Let Memory Gardens help you give your family time to grieve their loss and celebrate your life. We have assembled a helpful guide to planning funeral and cemetery arrangements, providing insight about the options available to you and your family. This packet includes everything you need to know to plan your arrangements in advance.

Give yourself the gift of knowing that your family will not be unduly burdened. The peace of mind gained will be a great comfort to everyone.

For your free Pre-planning guide, please call one of our memorial advisors, Carol Durant or Joe Mazmanian, at (518) 869-9506, or send an email to carol.durant@memorygardens.org or joe.mazmanian@memorygardens.org

Planned giving helps keep Memory Gardens beautiful

Would you like to help Memory Gardens continue to be the memorial park we all know it should be – a place of beauty where anyone can come to remember a loved one or simply enjoy tranquility?

Because Memory Gardens is a not-for-profit organization, we rely on contributions to help fund projects and improvements. There are many ways our lot owners and friends can contribute. Planned giving is one of them.

A planned gift is a major gift, made in life or at death, as part of the donor's overall financial and/or estate planning. Donations can be cash, appreciated securities/stock, real estate, artwork or other valuable estate items, property, life insurance, retirement benefits, etc. Benefits that the donor might be eligible for include a charitable deduction on your taxes.

If you are interested in making a gift to Memory Gardens, or would like more information, call our office at (518) 869-9506 or send an email to info@memorygardens.org
