Memorial Park

A Memorial Park Dedicated to the Dignity of Mankind

Message from the Director

As Memory Gardens Memorial Park begins its 71st year; I can't help but reflect on our goal to increase our visibility in the community. Without any advertising or fanfare, we have daily walkers with their four legged companions, baby strollers, or alone traversing our roads, ponds, and pathways; interacting with their kin or innermost thoughts. We have families who are visiting their loved ones; privately updating them on current events or reflecting on their lives and how much they are missed.

One of our ideas to increase our outreach into the community is that we would like to invite walking groups and other non-profits to use our lovely grounds for their fundraising causes. Our outermost perimeter road is 1.5 miles long, so a 15 mile walkathon is only ten trips around our park.

Our newly renovated Chapel Building has two side by side chapels that can each hold 50-70 people. With our beautifully manicured grounds and features, I can't help but think that beautiful wedding pictures, with Fountainlawn in the background, would be something to cherish. We have already hosted one wedding and we look forward to hosting more nuptials in 2011.

Lastly, Memory Gardens has a wish list. We are a not-for-profit organization and a donation of any item, would be tax deductible. We would gladly accept any working equipment that could be used on our grounds, such as golf carts, grounds equipment, tractors, and vehicles to lead our funeral processions.

My number is (518) 869-9506 and my email address is director@memorysgarden.org. I look forward to hearing from you, meeting with you, and continuing to make Memory Gardens Memorial Park mean something special to you, your family and friends as much as it means to me.

Thank you,
Kenneth L. Brooks Jr.
Director (Acting)

Advanced Planning – The Gift of Peace of Mind

The death of a loved one is one of the most tragic experiences that one will endure in their lifetime. Sadly, most families will find themselves poorly prepared to handle this event. The questions, concerns, decisions, and expenses can be substantial and overwhelming, to say the least.

Does your family know what your wishes are? Will it be a casket burial? Mausoleum entombment? Cremation? What about a memorial? The time your family should spend comforting each other and celebrating your life can quickly turn into a time of confusion, stress, and financial burden when faced with these unanswered questions.

Pre-planning gives your family time to properly grieve for the one they loved so dearly and saves them the financial burden of paying for your arrangements. It also saves your insurance benefits to be used for what they are intended for, your family.

Let Memory Gardens help you give your family the gift of time to grieve for their loss and to celebrate your life. Give yourself the gift of knowing that your family will not be unduly burdened. The peace of mind gained will be a great comfort to everyone.

Memory Gardens Memorial Park has assembled a helpful guide to planning cemetery arrangements that will provide you with insight into the options available to you and your family. This packet includes everything you need to know to plan your cemetery arrangements in advance, easing the burden placed on your family at an already difficult time.

For your FREE pre-planning guide, please call our Memorial Advisor, Carol Durant, at 518-869-9506 or send an email to carol.durant@memorysgarden.org.

Each year from May through mid-October, Memory Gardens offers our floral placement service. For a small charge, our staff will place a lovely bouquet in remembrance of your loved one. Both fresh and artificial bouquets are available, and we offer a variety of plans ranging from once per week to a single day.

Fresh bouquets include mixed flowers of bright colors. Choose one or more special dates or take advantage of our weekly plans to ensure your loved one will have a beautiful bouquet of fresh flowers from May through mid-October. Artificial bouquets, in seasonal colors, are available for early, mid, and late summer, or select any special date.

Please see the order form on page 11 for plan details.

Place your orders by returning the order form, by calling the office at 518-869-9506, or faxing your order to 518-869-0818. Order forms can be found by selecting the "Flower Shop" link on our website www.memorysgarden.org

PROJECTS AND IMPROVEMENTS

You might recall that our Fall 2010 issue announced that the Board of Directors designated 2010-2011 as the year of improvements. We are pleased to say that many improvements have been made since fall and we would like to fill you in.

Below is a list of recent projects and improvements...

Garden of Heroes - Our newest garden, The Garden of Heroes, was dedicated on September 18, 2010. This garden's feature includes flags and plaques honoring our service men and women and community service personnel. This garden provides a unique way to honor the memory of these courageous individuals.

Fountain Renovation - After several years in disrepair, the fountain in our Garden of Fountainlawn was renovated, including a tiled pool with three small fountains; a beautiful sight in the summer months. This fountain is also easier to care for, preventing the need for frequent maintenance and repairs. We are selling Memorial Bricks to help cover this costly renovation. See the order form in this Newsletter for details.

Chapel Renovation - Phase I of our Chapel renovation project has been completed and Phase II is scheduled to begin this Spring. See the article on page 8 for details.

Flag Placements - On Veterans Day 2010, we were fortunate enough to have members of several local Boy Scout Troops place flags on the resting places of our honored Veterans. The boys walked the entire grounds placing a flag wherever they found a Veterans Memorial. Everyone enjoyed the day and we hope to have them return this year for Memorial Day.

New Windows - Many of the old single-paned windows in the administrative building were replaced this winter keeping our staff a little warmer and saving on heating costs.

New Truck - A new truck was obtained for the grounds, providing a reliable vehicle to care for the grounds and saving time and money by reducing the amount of parts and labor that go into maintaining our older vehicles.

New Bronze Vendor - To expand available options and improve customer satisfaction, we have added Granit Bronz[®], a division of Cold Spring Granite, to our choice of vendors for bronze memorials. We will still be offering the Matthews International products that we have in the past, and now with the many options available you are sure to find just what you are looking for at a price that is right for you. Contact Carol Durant at 518-869-9506 or send an email to carol.durant@memorysgarden.org for details.

Upcoming Projects include...

New Website – scheduled to be up and running this spring (details on page 10)

New Garden – The Garden of Paradise is scheduled to open this spring

Last Supper Renovation – the process to repair or replace the badly weather damaged feature in the Garden of the Last Supper is in the early stages of development

Summer Events – check our signage and website for upcoming events at The Gardens.

If you would like to send a donation to help fund any of the above projects, please send a check payable to Memory Gardens; include the project you are donating to in the memo line. Donations are tax deductible.

If you would like more information, or wish to lend assistance, please contact our office.

CHAPEL RENOVATIONS

I am pleased to report that Phase I of the Chapel renovations was completed in time for our annual Christmas event together with its re-dedication, on December 10, 2010. For those of you who have a chance to drive through the cemetery, please take note of the new roof, the cleaning and restoring of the exterior, all new slate shelves for the new windows together with new doors. The interior was power cleaned, decayed wood replaced, and a new tile floor inside the entire chapel was installed together with a new heating system that has served our families well during the severely cold winter months. Our architect of record, John Riley, designed a new lighting system which enhances the interior. Several pews were purchased from an Episcopal Church in Troy which had been closed, and they now sit inside the Chapel. We are searching for two stained glass windows which we hope to install under the roof's peak, lending natural light to our chapel. You are invited to stop by the office at any time and ask to be taken to view the inside of the Chapel. It is a place of quiet and comfort and we hope you will avail yourselves of visiting your Chapel.

It is our hope to begin Phase II in April. Phase II will consist of an additional 500 square foot space that will offer sitting areas for reflection as well as 300 glass front lit niches for sale to help recoup some of the renovation costs. For more information on purchasing Niches in the Chapel, please stop by and talk to Ken Brooks, Acting Director, or Carol Durant, Memorial Advisor.

I am pleased to have been able to donate my time as Project Manager for this Chapel's renovation. I would be remiss if I did not say a very sincere "thank you" to the office staff at Memory Gardens together with their Grounds Crew who assisted me whenever called upon; and they always did it willingly. They were never too busy to answer a question or to physically help when asked. I look forward to working with them on phase II.

John L. Elacqua, Project Manager

THANK YOU TO OUR DONORS

Memory Gardens would like to thank our members and friends who have been kind enough to make financial contributions to the continual upkeep and improvements of the memorial park.

Muriel Kinney 1923 - 2011

In our last issue, we highlighted one of our dedicated volunteers, Muriel Kinney. It is with great sadness that we inform you that Muriel passed away the afternoon of Saturday February 19th 2011. She was a dedicated volunteer of Memory Gardens and several other local organizations. Always eager to help, and never afraid to say what was on her mind, Muriel was a joy to have in the office. Muriel was laid to rest at Memory Gardens in the Garden on Fountainlanwn on February 23rd. She will certainly be missed by her many friends and her Memory Gardens family.

Christmas at the Chapel 2010

This year's Annual Christmas Celebration and Tree Lighting Ceremony was graced with a new venue, our Chapel building. Phase I of the Chapel Renovation Project was completed just in time for the December 10th

service, which also served as the dedication of the Chapel. Also new this year were four artificial Christmas trees lit with energy saving LED lights. Each year these trees will be lit and decorated with ornaments in memory of our loved ones. For those of you who

are unaware, every year our grounds crew carefully remove, pack, and, store the ornaments. They are hung with care the following year, just as you do at home, and serve as a continuing testament to the love we share for those passed.

This year's event welcomed back the Colonie High School Chorus to lead us in holiday songs. Refreshments were served following the service in our Chapel. The first use of our newly renovated space!

We would like to extend special thanks to our families and friends who braved the bitter cold to attend. Each time we gather as a Memory Gardens family to remember our loved ones is meaningful and enjoyable.

Our Annual Christmas Celebration and Tree Lighting Ceremony is always held the second Friday of December.

We look forward to seeing you next year!

SPECIAL THANKS TO...

Planned Gifts -

Have you ever thought about planned giving?

Would you like to help Memory Gardens be the memorial park we all know it should be - a place of beauty where anyone can come to remember a loved one or simply enjoy the tranquility that is the gardens?

Because Memory Gardens is a not-for-profit organization, we rely on contributions to help fund projects and improvements. There are many ways our lot owners and friends can contribute. Planned giving is one of them.

A Planned gift is a major gift, made in life or at death, as part of the donor's overall financial and/or estate planning.

Donations can be cash, appreciated securities/stock, real estate, artwork or other valuable estate items, property, life insurance, retirement benefits, etc.

Benefits that the donor might be eligible for include a charitable deduction on your taxes. Some popular methods of planned gifts include donations through bequest, life insurance, or retirement plans.

If you are interested in making a gift to Memory Gardens, or would simply like more information, call our office at 518-869-9506 or send an email to info@memorysgarden.org.

Seeking Gardeners!

Do you have a green thumb? Or maybe you just enjoy spending time out in the summer weather? Why not put your time and talents to use at Memory Gardens.

Our grounds crew spends countless hours maintaining the gardens by mowing, weeding flower beds, trimming hedges, etc. Unfortunately, limited staff and budget do not always allow us to accomplish all that we would like.

As highlighted in our last issue, we are lucky enough to have two caring individuals that lend their time and effort to caring for The Gardens. We are in search of more.

We are seeking individuals willing to volunteer as Memory Gardens Gardeners. Spend a sunny afternoon weeding the flower beds or edging memorials. Lend your expertise to updating some of our older flower beds. For those of you out of town, why not contribute by sending a donation to cover the cost of new shrubs or trees?

What a wonderful tribute it would be to your family and friends to beautify their place of final rest.

If you would like more information or would like to sign up as a gardener, please call our office at (518)869-9506 or send an email to info@memorysgarden.org

Adopt a Wolf Update

We are pleased to announce that our first "litter" of adopted wolves has arrived!

These wolf silhouettes will be mounted on spindles and placed by our ponds in hopes of deterring the increasing number of geese that frequent the gardens. While a few geese here and there are enjoyable, large congregations cause problems including damage to the grass and leaving droppings on burial sites.

If you wish to adopt a wolf of your own send \$40* to:
Memory Gardens
983 Watervliet Shaker Road
Albany, NY 12205.

Please include "adopt a wolf" in the memo line of your check.

*while \$40 covers the complete cost of one wolf, donations of any amount are welcome.

What's Old Is New Again

We here at Memory Gardens have endeavored to restore or renew several features in our gardens to uphold the highest standards for all to honor and memorialize loved ones. One of the things that you would not notice as you visit or drive through our beautiful park is our website. We are delighted to announce that this too is being updated. Not only are we giving it a new look and feel but we are adding some new functionality and enhancing the overall user experience. The new site is currently under construction and is expected to be launched in the spring. We encourage you to visit our website at memorysgarden.org and once our new site is launched, you will be automatically re-directed. Watch this space in our fall newsletter for more details.

Send us your Email Address

We are continuing to build our email database and would appreciate if lot owners and friends could send us your current email address. Also, please be sure to update us with any changes in your mailing address.
